

OT / SW / EP / Physiotherapist / Rehabilitation Counsellor New Graduate

Congratulations on your pending graduation and welcome to your new profession! While your transition into practice will be rewarding, we know the first few years can be challenging.

If you are a recent graduate, Easec would like to assist you in your learning and development and support you in your practice as you ease into the profession.

If you are a pending graduate, please contact us in relation to how we can support you until you graduate, to then transition into our Graduate Program.

About Easec:

Easec is an accredited rehabilitation provider offering services to Public and Private sectors in the areas of Occupational Injury Management, Vocational Rehabilitation and Outplacement. We are accredited with Comcare to assist injured individuals to return to work. We believe that leading a fulfilling life involves doing meaningful work.

Our Graduate Program, is supported by peers and team leaders, leading you through your first year of employment to ensure you develop the skills and experience to succeed.

What we offer:

- Full time contract
- Competitive salary package and relocation allowance negotiable
- 250 hours (minimum) of Internal PD over the first 12 months
- \$1,000 annual external PD allowance
- Supervision and mentoring
- Position within Easec's office's Queensland-wide. Brisbane, Gold Coast, Sunshine Coast, Hervey Bay, Rockhampton, Townsville, Cairns.

Requirements:

- Graduating Occupational Therapist / Physiotherapist / Exercise Physiologist / Rehabilitation Counsellor / Social Worker
- Eligible to attain registration with AHPRA, or membership with ESSA, RCAA/ASORC, or SWAA
- Able to travel or relocate between Easec offices throughout Queensland
- Valid drivers' licence
- Valid Australian work rights
- National Police Check

What you will be doing:

The Occupational Rehabilitation Graduate works as part of a multi-disciplinary team to support high quality professional assessments and case management in Occupational Rehabilitation. We support clients by managing their case as the central point of contact between themselves, employers, insurers and their treatment providers.

Development of competency in discipline specific assessment

Occupational Therapy

- Home Assessments and ADL Assessments
- Functional Capacity Assessments
- Ergonomic Assessments
- Worksite Assessments

Rehabilitation Counselling

- Vocational Counselling
- Vocational Assessment
- Work Readiness Training
- Job Search Training

Return to work services

- Provide excellent and consistent career support to clients through:
- Development of resume and cover letter
- Reverse marketing to employers to source work trials or employment
- Research job opportunities and labour market trends
- Build and maintain relationships with employers

Case Management, Documentation, Report Production and Customer Service

- Provide customer and case management support to Rehabilitation Consultants to ensure adherence to quality assurance requirements.
- Operate within legal guidelines to ensure service compliance, including Privacy, Anti-Discrimination and Easec policies and procedures.

Location: Townsville / Rockhampton / Sunshine Coast / Gold Coast QLD

Work Type: Full Time
